Abiodun Salawu is Professor of Journalism, Communication and Media Studies and Director of the research entity, Indigenous Language Media in Africa (ILMA) at the North-West University, South Africa. He has taught and researched journalism for over two decades in Nigeria and South Africa. Prior to his academic career, he practised journalism in a number of print media organisations in Nigeria.PREFACE. I HAVE had a life which, for variety and romance, could, I think, hardly be exceeded. I have known what it was to be a poor man and I have known what it was to be fairly affluent.The traditional Latin-American tubular rattle palo de lluvía, recently popular in the West as the ‘rainstick’, is often a hollow cactus stem with the spines removed and reinserted inside; when the rainstick is inverted, seeds or pebbles fall past the protruding spines, striking them randomly.??????????????????????????????dj??????????????????????????
