Study Psychology with The Open University to learn how to Analyse and Evaluate Psychological Concepts. View Courses. Psychology Teaching Resources. Back in 2002, David Putwain and I wrote a short book called 'Psychology and Crime' for the Routledge Modular Psychology series. It sold quite well for a book of this sort (in excess of 10,000 copies, apparently). Overview A deeper understanding. How do our brains work? Is our behaviour influenced by our genes, our environment or both? Psychology gives you a fascinating insight into the factors that influence how people think, feel and behave. Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits. Educational methods include storytelling, discussion, teaching, training, and directed research. Education frequently takes place under the guidance of educators, however learners may also educate themselves. Education can take place in formal or informal settings and any ...
