Get this from a library! Are leaders born or are they made? : the case of Alexander the Great. [Manfred F R Kets de Vries; Elisabet Engellau] -- What makes a great leader? Can leadership be learned or are great leaders born and not made? Manfred Kets de Vries answers these questions, and many more, in his innovative and fresh look at the ...Are Leaders Born or Are They Made? The Case of Alexander the Great Reviewer(s): Judy Bullock (University of Phoenix, Atlanta, Georgia, USA) Keywords: Leadership, Personality, Behaviour, Psychology Review Number: 2005 /3 Review Subject: Are Leaders Born or Are They Made? The Case of Alexander the Great Manfred F.R. Kets de Vries, with Elisabet ...ARE LEADERS BORN OR ARE THEY MADE? Alexander may have believed these pronouncements, but he most certainly encouraged reports of them for propaganda purposes. He used the priests' confirmation frequently, weaving their words (and the prophecies of the oracle and others) into his stories about future conquests.Are Leaders Born or Are They Made?: The Case of Alexander the Great. This engaging study of the life of Alexander the Great, the charismatic leader who created an empire that spanned most of the ancient world, provides an in-depth look at the psychodynamics of leadership that will be of use to contemporary leaders in business and politics,...This engaging study of the life of Alexander the Great, the charismatic leader who created an empire that spanned most of the ancient world, provides an in-depth look at the psychodynamics of leadership that will be of use to contemporary leaders in business and politics, and to consulting and training organisations.What makes a great leader? Can leadership be learned or are great leaders born and not made?Manfred Kets de Vries answers these questions, and many more, in his innovative and fresh look at the timeless theme of effective leadership. His engaging study of the life of Alexander the Great, the charismatic leader who created an empire that spanned most of the ancient world, provides an in-depth ...Jump to content. Log in | Register | Register |Are Leaders Born or are They Made? - The Case of Alexander the Great. What sort of leader was Alexander the Great? Charismatic and powerful? No doubt. Megalomaniac and cyclothymic? Maybe.This is an interesting and engaging book, even though it is not about whether leaders (and in particular Alexander the Great) are born or made; rather, it is in my view one of a series of books which focus on the wisdom of past leaders whose approaches and strategies are still relevant for modern management and leadership challenges.This engaging study of the life of Alexander the Great, the charismatic leader who created an empire that spanned most of the ancient world, provides an in-depth look at the psychodynamics of leadership that will be of use to contemporary leaders in business and politics, and to consulting and training organisations.In the first part of the book, the authors weave the fascinating tale of ...
