As the soccer fever reaches its peak why not grab your own football and head down to the park with the kids ...I've got the Telecam TCE2001 with amplifier from Argos. I must be quite close to my transmitter because, with the aerial standing on my DVD player (8 inches from window), I can get all the channels. I get a couple of break-ups but they're mainly on the Channel 5 channels. "Be who you are and say how ...Canon EOS 400D (Digital Rebel XTi) – I had the opportunity to play with this camera last week for a day and while I was a little skeptical at first as it's fairly much an entry level DSLR I came away from testing it quite impressed. It has a 10.1 megapixel sensor, 2.5 inch LCD and all the features you'll need to switch into manual (and semi manual) modes.
