Bergey's Manual of Systematic Bacteriology Volume One : The Archaea and the Deeply Branching and Phototrophic Bacteria. Editor-in-chief: Garrity, George Boone, David R., Castenholz, Richard W. (Eds.) 2001 View Bacteriology PPTs online, safely and virus-free! Many are downloadable. Learn new and interesting things. Get ideas for your own presentations. Share yours for free! *Taxonomic category not in current use. **Taxonomic category not covered by the Rules. In contrast to eukaryotic nomenclature, there is no such thing as an official classification of prokaryotes because taxonomy remains a matter of scientific judgment and general agreement [4]. The closest approximation to an "official" classification of prokaryotes would be one that is widely accepted by the ... This page is relevant to the laboratory experiment on the enrichment and isolation of purple non-sulfur photosynthetic bacteria as it has been taught in the UW-Madison Microbiology 102 course, and it is not intended to be authoritative for applied or research purposes.
