

# **Download Biology Lab Manual Inquiry Approach**

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner. AP's high school Biology course is a rigorous, college-level class that provides an opportunity to gain the skills and experience colleges recognize.
