View and Download BMW E60 manual online. E60 Automobile pdf manual download. Diagnosing BMW problems is nearly impossible without a good BMW scanner. In this guide, we review some of the best OBD2 scanners for BMW. The one-touch turn signal (OTTS) module enhances the functionality of the turn signal lever by adding a mode where a single touch makes the indicators blink for a certain number of times. This behavior is also known as lane change turn signal or comfort blinker. This article is written with the BMW 8 Series in mind, but the module can be used in other cars too.
