I had run across that 0c8221 manual last night, but being labeled Generac, I thought I just had a bad search result. This time I browsed through it a bit, and sure enough, Briggs & Stratton is mentioned within. I actually own a Generac generator. I guess that might mean its engine may actually be a Briggs. Briggs & Stratton Original Service Replacement Parts come with a ninety (90) day warranty which protects our mutual customers from product defects which may result from defective material and/or workmanship. The Briggs & Stratton warranty does not apply to failures caused by the use of defective non-genuine merchandise. According to Briggs & Stratton ®, all their engines were painted black from the factory. Here are some painting tips. Here is some Tune-up information for Letter Series Briggs engines. Here are drawings of the M agnetos that Briggs & Stratton ® used on the old cast iron letter and early numbers series engines. Shop directly from Briggs and Stratton!
