

Download Building Business Government Relations A Skills Approach

The Canadian Digital Service is recruiting tech brains from across the country and around the world in an effort to do IT differently inside the federal government. With 36 governors and most legislative seats up for grabs in the fall election—and many key lawmakers facing term limits or retiring—higher education government relations professionals around the country will interact with a variety of state legislative and executive leaders next year. Beehive.govt.nz is the best place to find Government initiatives, policies and Ministerial information.
