

Download Cases On Procedure Annotated Trial Practice

may, in some cases, be based upon the special verdict, disregarding the general verdict. But we know of no case in which it is proper practice to enter a judgment non obstante veredicto, unless it appears on the record that the verdict of the jury cannot be supported as matter of law. In all other cases the proper practice is to move for a new ...The present volume is intended to develop and disclose the rational basis for the main principles of practice employed in the trial of civil actions at law. Recourse has been had to the whole body of American case law, and the choice of cases has been determined by the clearness with which the court has shown a logical justification for the decision made.
