GVG CIBSE Guide G: Public Health & Plumbing Engineering. The purpose of CIBSE Guide G: Public health and plumbing engineering is to provide guidance to practitioners involved in such systems. In addition to its core readership of public health designers and installers, this Guide should also be of interest to architects and authorities who,...

CIBSE Guide G - Public Health Engineering (2nd Edition) Details The purpose of CIBSE Guide G: Public Health and Engineering is to provide guidance to practitioners involved in such systems. This third edition of CIBSE Guide G has been produced in collaboration with the Chartered Institute of Plumbing and Heating Engineering (CIPHE), and this is reflected in its new title: Public health and plumbing engineering. As such, it represents a complete revision of the previous edition plus the addition of new chapters.
