## **Construction Theory Unit 2 Practice Exam**

The Chartered Institute for Securities & Investment (CISI) is the largest and most widely respected professional body for those who work in the securities and investment sector in the UK and in a growing number of financial centres globally. The CISI are promoters of Integrity and Ethics in the financial services profession. Project management is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time.. The primary challenge of project management is to achieve all of the project goals within the given constraints. This information is usually described in project documentation, created at the ...
