

Download Coaching Mentoring Quick Study

Business

Just like sports, the workplace needs coaches too! This lesson will discuss the definition and importance of effective workplace coaching, including the strategies and behaviors that go along with it. Business coaching & mentoring. Organisational development, changes brought about by mergers and acquisitions as well as the need to provide key employees with support through a change of role or career are often catalysts, which inspire companies to seek coaching or mentoring. The Pace Path is our unique program combining personalized planning and education, internships, and other real-world experiences for you to achieve a lifetime of success following graduation.
