

Download Corporate Communication A Guide To Theory And Practice

Corresponds to a one-semester course in applied ethics. Measures understanding of ethical knowledge as it applies to practical ethical situations. Application of knowledge about ethics is accomplished through the use of case studies and related sets of multiple-choice questions. Knowledge categories include basic theories and concepts such as utilitarianism, natural law theory, justice, duties ...The next job for the corporate communication department is to measure the "reputation" both inside the organization ("culture") and outside ("image"), and to check for any gaps between how the organization wants to be perceived and how it is perceived. Corporate governance is the collection of mechanisms, processes and relations by which corporations are controlled and operated. Governance structures and principles identify the distribution of rights and responsibilities among different participants in the corporation (such as the board of directors, managers, shareholders, creditors, auditors, regulators, and other stakeholders) and include ...Start preparing today with an ANCC study guide that includes ANCC practice test questions.
