

# Download Family Violence Legal Medical And Social Perspectives

Domestic violence (also named domestic abuse or family violence) is violence or other abuse by one person against another in a domestic setting, such as in marriage or cohabitation. It may be termed intimate partner violence when committed by a spouse or partner in an intimate relationship against the other spouse or partner, and can take place in heterosexual or same-sex relationships, or ... In the context of human society, a family (from Latin: familia) is a group of people related either by consanguinity (by recognized birth), affinity (by marriage or other relationship), or co-residence (as implied by the etymology of the English word "family") [citation needed] or some combination of these. [citation needed] Members of the immediate family may include spouses, parents ... Fleeing family violence to another country and taking your child is not 'abduction', but that's how the law sees it. Family and domestic violence is a taboo topic. We conducted interviews and focus groups with Anglican, Evangelical and Christian (including Catholic), Muslim, Buddhist, Hindu and Jewish leaders ...
