Feng shui uses the five elements - water, wood, fire, earth, and metal - to synchronize and harmonize areas around you for maximum benefits. Spiritual Feng Shui however is not only garden furniture placement and interior decoration but knowing your universe and surroundings better to get positive changes from within. The Expert and Home versions are now obsolete, but the following table shows you what each version contained - and gives you access to the Feng Shui topics shown in the table below.. The current Feng Shui Professional program contains ALL the features and calculates all the necessary values for you from the birth dates of the people you have entered into the program. Dr. Stephen Skinner is an internationally acclaimed author and lecturer. He was responsible for introducing real feng shui to the West, and wrote the first 20th century English book on the subject in 1976.
