International. Several basic style guides for technical and scientific communication have been defined by international standards organizations. These are often used as elements of and refined in more specialized style guides that are specific to a subject, region or organization. The InkZone concept for presetting the ink keys on offset printing press is making life easier for printers: they are saving money and gaining time; at the same time, they are achieving considerable increases in quality and productivity. May 15, 2019. Fotoba launches the XLA170 fully automatic x/y cutter at FESPA 2019. May 15, 2019. Fotoba the world's leading company for automated finishing solutions showed the future of automated finishing today in Munich. Edward II (1284–1327) was King of England from 1307 until he was deposed in January 1327. He married Isabella, the daughter of the powerful King Philip IV of France, in 1308. Edward had a close and controversial relationship with Piers Gaveston, who had joined his household in 1300. Gaveston's arrogance and power as Edward's favourite provoked discontent among both the barons and the French ...
