

# **Download How To Start A Senior Care Services Business A 10 Step Outline**

Step 1. Choose services to offer. Some folks specialize in respite care, others enjoy housekeeping, and others love to run errands. Ask other senior care providers what services are most needed in your town. When you're done, make up a list that can be a part of your flyer or brochure, or an advertisement on Craigslist or on a website. Download How To Start A Senior Care Services Business A 10 Step Outline Starting a senior home care business is a great way to become your own boss in a rapidly growing field. In these uncertain economic times, self-employment can still offer opportunities to make a solid income and provide job security for the future.
