It's Hard to Be Five: Learning How to Work My Control Panel tells the story of a little boy who just turned five, realizing how much more of a responsibility it really is. He is no longer allowed to shove, hit, or bite, as well as bowling inside the house. Jamie Lee Curtis and Laura Cornell, the #1 New York Times bestselling team behind Today I Feel Silly and I'm Gonna Like Me This book does not show one example of a child learning how to work their control panel. The most disappointing is the illustration of knowing when to stop and when to go. I have a great sense of humor, however illustrating a five year old flipping the middle finger at the cars from the crosswalk is unacceptable in a book for 4 to 8 year olds.
