Many people buy this manual just to have it around for when the inevitable happens. SIGN UP TO OUR NEWSLETTER. Be the first to know the latest news, events and special offers I have a Kubota RTV - the lowest end model. 3 months ago, I had problems getting the RTV to crank and run properly and there was white smoke coming from the exhaust. I drained the oil which looked just fine and contained no metallic pieces. I removed the spark plug and cleaned it. It did look fouled. I replaced the oil as specified in the manual. Country Sales and Service, LLC offers a complete line of New Kubota engines and engine parts for small engine or industrial applications.
