How is it that the law enforcer itself does not have to keep the law? How is it that the law permits the state to lawfully engage in actions which, if undertaken by individuals, would land them in jail? This translation of *The Law* was done by Dean Russell of The Foundation staff. His objective was an accurate rendering of Mr. Bastiat's words and ideas into twentieth century, idiomatic English. A nineteenth century translation of *The Law*, made in 1853 in England by an unidentified contemporary of Mr. Bastiat, was of much value as a check against this translation.

Labour law (US spelling: labor law, sometimes incorrectly conflated with employment law) is the area of law most commonly relating to the relationship between trade unions, employers and the government.. While the development of the field in different jurisdictions has resulted in different specific meanings of what is meant by labour law, it is generally used in reference to employment ...Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.
