

Download Leadership Skills Training Manual

Whether you're the leader of a company, a department, a team, or just yourself, having the skills to motivate, inspire and move people to action is essential. We've got resources for experienced leaders and those just starting out. To get started, use our self-tests to determine your strengths as a ...Leadership is both a research area and a practical skill encompassing the ability of an individual or organization to "lead" or guide other individuals, teams, or entire organizations. Specialist literature debates various viewpoints, contrasting Eastern and Western approaches to leadership, and also (within the West) United States versus European approaches. Project Leadership is a parent advocacy training whose overall goal is to increase the number of family members of children with special health care needs who are prepared and supported to become advocates for health care policy and service improvements. The National Parent Leadership Institute - NPLI - the national replication arm of Connecticut's Parent Leadership Training Institute Mission Statement
