

Download Lesson Planner Pacing Guide

My Lesson Planner allows you to choose how you see your standards if your state standards are leveled and broken down by grade and subject. For example, if you only teach English in grades 9-12, you can lock your standards down to only see English Standards, or if you teach all subjects in grade 5, you can lock it down so that you only see grade 5 standards. Department of Social Sciences The overarching goal of social studies instruction is to prepare students to be knowledgeable, informed, and active citizens in an increasingly diverse community and nation and interdependent world. When you open the file you can make changes and then save your new file to your H-drive or to My Documents. Chapter 2 Linear Relations and Functions 54D Writing Linear Equations This lesson focuses on the slope and y-intercept of a linear equation. In the slope-intercept form of a linear equation, $y = mx + b$, m represents the slope of the line and b is the y-intercept. Students use two forms of a linear equation,
