Be the first to ask a question about Method Meets Art, First Edition "New pathways don't just form, we have to create them--we have to blaze the trails we want to pursue and that will be traveled by others ...A highly accessible introduction to arts-based research (ABR), this widely used text provides a practical guide for researchers who want to uncover information that traditional methods cannot capture. Patricia Leavy addresses all eight major ABR genres—narrative inquiry, fiction-based research, poetry, music, dance, theatre, film, and visual art." Maybe [the] strange divide between art and science in research and especially qualitative research will begin to erode away as more readers find Patricia Leavy's new 2009 tome, Method Meets Art: Arts-Based Research Practice, and begin to realize that researchers conducting narrative, poetic, musical, performative, dance, and visual forms of ...
