Cash Grants. LIHEAP grants can be applied to a past balance in order to establish service at a new address. The amount allowed to post against prior bills is limited to 50% to ensure a portion of the LIHEAP cash grant goes toward future energy needs. Terminology disclaimer The terminology used to describe people with disabilities has changed over time. The Minnesota Department of Human Services (“Department”) supports the use of “People First” language. Applications for LIHEAP are now closed. Applications for next year will begin November 2019. About the program. LIHEAP helps families living on low incomes pay their heating bills in the form of a cash grant. Search for Ordering and Referring Providers Iowa Medicaid has an online searchable directory of currently enrolled Providers that may order or prescribe durable medical equipment (DME), independent lab services, or consultations.
