Task - What must the learner perform (one behavior, thus one verb) Condition - How will it be performed?
Standard - How well must it be performed? Home. Welcome to the Health Research Authority's online guidance for researchers and ethics committees on consent, and how to prepare materials to support this process. Investigators are required to use the FIU Informed Consent templates provided below to ensure compliance with the Informed Consent Requirements. In some circumstances, researchers may still be permitted to use an external Informed Consent form when the research is conducted off-site in collaboration with another institution's IRB. Specifications for pesticides: a training manual Participant's guide, trial edition 1 1
Background and preparation Why offer this course? The International Code of Conduct on the Distribution and Use of Pesticides¹ promotes trade in, and use of, good-quality pesticides and discourages the
