A study in the Symbolism of Reason, Rite, And Art: These ideas, tentative and imperfect as their expression in this first book had to be, now promise to transcend the realm of 'anesthetics' (to use the unfortunate current word), and lead us to a new philosophy of living form, living nature, mind, and some of the very deep problems of human society that we usually designate as ethical problems. Philosophy in a New Key: A Study in the Symbolism of Reason, Rite, and Art. The topics it deals with are many: language, sacrament, myth, music, abstraction, fact, knowledge--to name only the main ones. But through them all goes the principal theme, symbolic transformation as the essential activity of human minds.
