Sport and Recreation South Africa (SRSA) is the national government department responsible for sport in South Africa. Aligned with its vision of creating An Active and Winning Nation, its primary focuses are providing opportunities for all South Africans to participate in sport; managing the regulatory framework thereof, and providing funding for different codes of sport. World Health Day: Focus on HIV/AIDS HIV/AIDS is a major concern for developing countries worldwide. Lack of education, poor nutrition and inadequate health care, linked with extreme poverty, make people in the poorest countries most vulnerable to HIV/AIDS. Along with the highest rate of HIV/AIDS in the world(2), South Africa's (SA) per capita rate of alcohol consumption is among the highest in the world(3), It seems feasible that these two phenomena are related, but does alcohol consumption increase the risk of acquiring HIV? This paper aims to discuss the risk factors associated with HIV/AIDS and alcohol abuse.
