

Download The Political Economy Of International Law A European Perspective

Political economy is the study of production and trade and their relations with law, custom and government; and with the distribution of national income and wealth. As a discipline, political economy originated in moral philosophy, in the 18th century, to explore the administration of states' wealth, with "political" signifying the Greek word polity and "economy" signifying the Greek word ...Curriculum International Political Economy | MA Requirements (Entering Class 2018-2019) Learning Goals and Objectives MA students must complete 64 credits and all degree requirements in order to graduate.
