

Download Trade Apprentice Study Guide

An apprenticeship is a system of training a new generation of practitioners of a trade or profession with on-the-job training and often some accompanying study (classroom work and reading). Apprenticeship also enables practitioners to gain a license to practice in a regulated profession. Most of their training is done while working for an employer who helps the apprentices learn their trade or ...Industry trade nights. HIA Industry trade nights are information sessions to help you gain knowledge through interactive meetings and presentations by industry experts.5 Trade Resources Red Seal.ca Resources Red Seal Website: www.red-seal.ca You will find useful information that might help you prepare for your exam, including some sampleARTICLE I Purpose and Policy The parties hereto declare it to be their purpose and policy to establish an organized, planned system of apprenticeship, conducted as a joint labor and management industry
