An Indian reservation is a legal designation for an area of land managed by a federally recognized Native American tribe under the U.S. Bureau of Indian Affairs rather than the state governments of the United States in which they are physically located. Each of the 326 Indian reservations in the United States is associated with a particular Native American nation. The Law of Armed Conflict: An Operational Approach by Geoffrey S. Corn and Victor Hansen and M. Christopher Jenks and Richard Jackson and Eric Jensen and James Schoettler Indian termination was the policy of the United States from the mid-1940s to the mid-1960s. It was shaped by a series of laws and policies with the intent of assimilating Native Americans into mainstream American society. Assimilation was not new. The belief that indigenous people should abandon their traditional lives and become "civilized" had been the basis of policy for centuries.
