View online or download Vizio VIZIO User Manual Vizio is a TV brand that popped up in 2002 and very quickly became a major player in the domestic TV market. Although the TVs themselves are made under license in China, Vizio itself is based in Irvine, California and employs American workers as well as overseas. Adjusting the system's settings can be done through the included remote, but I found the small LCD screen to be less than ideal for tinkering with settings and opted to use the VIZIO SmartCast app which is required for hooking up the soundbar up to the Wi-Fi. I wouldn't consider myself an audiophile, but I do have a great deal of experience testing various audio products and have a good sense ...
